## ACTION GROUP PLAN FOR WEST

A permanent organisation to co-ordinate and promote the development of the western suburbs seems certain to be set up by the eight municipal councils of the region, including Altona.

This follows news that the eight councils will combine in a joint approach to the Federal Government for huge financial grants for improved facilities.

Early estimates of the total value of the combined submission to Canberra range from \$200 to \$500 million.

The councils are Essendon, Keilor, Melton, Sunshine, Werribee, Altona, Williamstown and Footscray.

The region represented by the councils, covers an area of more than 500 square miles — from Essendon almost to Geelong, and from the western boundary of the City of Melbourne almost to Bacchus Marsh.

The mayors and shire presidents of the eight councils have agreed to recommend to their respective councils the establishment of a western region organisation to co-ordinate development proposals, including approaches to Canberra for money.

One name suggested for the proposed organisation is Western Region Development Commission.

While councils have been in recess during the Christmas-New Year period, mayors and shire presidents and senior council officers have been liaising together and with Mr. Phillip Cairns, private secretary to Dr. Jim Cairns, Member for Lalor and Minister for Secondary Industry.

### Talks with staffs

One result has been an inspection tour of the western area of Melbourne by Dr. Cairns and Mr. Tom Uren, the Federal Minister for Urban Development.

Following the visit, the western region mayors

and shire presidents conferred with senior council staff on Thursday, January 25, at the Sunshine municipal chambers.

Cr. Kevin Wheelahan, Mayor of Sunshine, was host to the meeting, which was attended by 26 persons, including Mr. Phillip Cairns.

Cr. Don Myers, Werribee Shire President, was elected chairman of the interim development committee, pending the establishment of a constituted western organisation.

Cr. Myers said the meeting agreed to:

- Appoint industrial promotions consultant (Sunshine) Mr. Bill Williams — subject to approval of Sunshine Council — to collate information and complete the submission.

- Give Mr. Williams the authority to co-opt the assistance for the preparation of the submission from the staffs of the eight councils involved.

- Authorise Mr. Williams and Cr. Myers to issue statements to the news media.

- Obtain additional information about the needs of the west from the Board of Works (water, sewerage, drainage), the

Railways Department (electrification of lines to Keilor, Melton and Werribee) and the Social Welfare Department.

### Help from F.I.T.

● Call a further meeting of mayors and shire presidents at the office of the Sunshine Industrial Promotion Centre, on February 7, to confer with Mr. Williams about the draft of the submission, which is scheduled to be delivered by Mr. Phillip Cairns on February 10.

Cr. Myers said the principal of the Footscray Institute of Technology, Mr. Doug Mills, had agreed to provide information about the educational needs of the west.

The medical superintendent of the Western General Hospital, Dr. Peter McLeave, had agreed to help with the compiling of information about the health needs of the west.

Cr. Myers expressed thanks for the work done by Dr. Cairns.

He said the proposed regional organisation would speak with enormous authority, "the voice of 330,000 people living in an area of more than 500 square miles."

"This voice will be so loud, so clear and so demanding in claims for justice for the west that at long last, after so many dreary years of faint hopes so often squashed, we of the west will be fast getting results," he said.

### CPA MEETS ON AGAIN

The Williamstown branch of the Combined Pensioners' Association has resumed meeting.

Membership fees are now due and payable. Any new members would be made welcome at the Youth Centre at 2 p.m. on February 2.

## Ferry's new landing point

New landing stages are being built for the Williamstown ferry, on the Port Melbourne side of the river.

The new stages, situated a short distance seaward of the present ones, are the result of an agreement between the Harbor Trust, P & O Lines and councils.

The shipping line wanted the river at that point to be widened and deepened so its bigger container ships could go up river.

### No future plans

Williamstown Town Clerk, Mr. J. Morley, said P&O is meeting all costs, including council's loss of revenue while the ferry is out of operation. This, he said, would be a matter of five or six weeks.

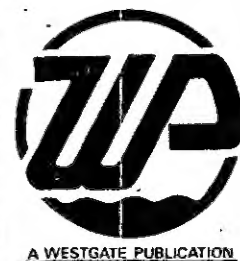

Mr. Morley said also that council had yet to reach a decision on the future of the ferry.

"But I would say that the Harbor Trust would be unlikely to renew the permit for the operation of the ferry once the Westgate bridge is going," he said.

"I would think also that council would find the ferry uneconomical once the bridge is carrying traffic."

Recently, said Mr. Morley, council had decided on increases of 15 per cent. in ferry charges. These were now before the Governor-in-Council, awaiting approval.

If approved, the new charges would be: Private cars 20c (up 5c) and large trucks 60c (up 15c).

# TRUST TO CONTROL RIFLE RANGE?

The newly-formed Rifle Range Development Committee is to press for a trust to control the Williamstown rifle range and another 300 acres of nearby floodland.

The group wants to develop the whole area into an attractive, peaceful recreation area for the people of the western suburbs.

Already, it has been agreed at meetings between local parliamentarians and conservation groups that the rifle range area should be developed

as a recreation area. There has been some pressure in the past, particularly from Williamstown MLA, Mr. W. L. Floyd, to have the area developed for housing.

"We want a trust to handle the whole area because we feel that neither of the councils has either the ability or imagination to handle the job," said committee chairman, Mr. John Patterson.

The rifle range is administered by the Williamstown city council and the 300-acre floodlands by Altona council.

Mr. Patterson said an example of Altona council's ineptitude in handling the floodlands area was that recently, when the council put a tip in the area, it erased all the surrounding natural bushland and replaced it with straight lines of planted trees.

"We would get the whole area planted by a

person who knows what he is doing so it would become beautiful and natural and of value to the community," said Mr. Patterson.

Mr. Patterson said suggestions that a golf course should be built on the area were ridiculous — other golf courses in the west were already having difficulty getting members.

Mr. Patterson said the committee had already written away to MHRs Dr. Moss-Cass and Mr. Tom Uren about their plans, and was now seeking further information and help from RMIT and the Rev. Peter Hollingsworth, of the Brotherhood of St. Laurence. Sunshine city council officer, Colin Benjamin, would also be approached.

Ultimately, if the trust were to become a reality, its members should be elected by the people of the west. At present, the rifle range development committee's members included Williamstown councillor Peter Lalor, Mr. John Marks, Werribee veterinary Dr. Rex, and Williamstown Conservation and Planning Society members John Marks and Dr. Cyril Curtin.

Brownies Leanne Mayne and Deidre Mayne, guides Susan McKee, Susan Harris and Robyn Mayne patrol the beach at Altona.

## Operation Beach Clean

Operation Beach Clean — established at Altona in 1961 — is seen by council officials as a practical way of giving children pride in their environment.

Nine organisations have been allocated sections along the Altona waterfront and spend as many as 450 hours a year patrolling the beach and clearing other people's rubbish.

An estimate of the cost involved to council to clear the area was more than \$9000 per year.

Competitions have been introduced with shield awards for the total number of man hours by a club, the best average award and the individual greatest number of man hours.

The winner of the individual award last year was Mrs. Stewart of the Altona North District Guides. A total of 44 hours were involved.

The Altona North District also won the club award, with 112 workers recording 461½ hours.

Secretary of the Altona North District, Mrs. M. Harris, said bottles and cans were prominent among the rubbish round on the beaches.

The ages of the brownies and girl guides range from 7 to 15.

"The girls don't attempt the never-ending task of clearing the seaweed. It would be fighting a losing battle," said Mrs. Harris.

"The girls spend half an hour or so clearing the beach when they are in the area. We are working for a guide hall. At the moment we meet in church halls or whatever is available. The land for the hall has already been allotted."

Cr. Ray Richards who holds the Local Organisation portfolio would like to see neighboring councils such as Footscray assist Altona Council with the upkeep of the beach.

Cr. Richards said it seemed a trifle unfair that people living in other sections could use the beaches at Altona and Williamstown and expect the Altona ratepayers to bear the burden of the cost of clearing

the beach — a cost which runs into thousands of dollars annually.

"The clubs help us on a purely voluntary basis. I feel it is their way of showing thanks for what the council has done for them — like providing grounds for halls &c.

"Our youngest helpers would be seven or eight years old but we also have parents and grandparents and members of clubs such as Apex helping out.

"We did have a bit of trouble with one or two children galloping horses along the beach — there was always the danger they'd knock a small child

over. I'm hoping council will allocate a section of land in the municipality to be used as a meeting ground for a pony club."

Cr. Richards hopes to call a public meeting regarding the forming of a pony club and the land in several weeks.

"Bottles and cans are definitely our biggest problem as far as litter is concerned," said Cr. Richards, "but we also had quite a few people dump their lawn cuttings and garbage over the edge of the walls."

Council has tried several tactics to try and get rid of the seaweed—including they'd knock a small child

## THE LION'S ROAR

Altona Lion's Club is "chasing" children's and adult's spectacles.

The club intends checking and grading each pair before sending them to Fiji.

Anyone able to help with a donation is asked to contact Alan McDonald, gate.

Economy Hardware, Pier Street, Williamstown.

The club also requires secondhand school books.

And remember the paper drive on February 4. Could all contributors please leave bundles at front gate.

## Val's Column

Hello Girls,

Let's see, what can we do to help control that too shiny face.

Firstly, an oily complexion will be prevalent — either all over or just on the "T zone" — forehead, down nose and chin.

Control your eating habits — no oily, greasy foods, these will cause blemishes anyway.

Before you dive into the makeup bag for powder, you should be shopping for the best suited cleanser. The bottles have marked on them what skin type they best suit — let our trained girls help you, you need a lotion type cleanser, the wash off variety. Be it Coty, Avacado Cleanser, Coty Rinse Off Cleanser, Dorothy Gray Two Minute Magic or Satura Foaming Cleanser.

Then you could have Revlon Clear and Clean Cleanser for oily skin or in the Natural Wonder range — the Foaming Cleanser. Cyclax offer you Cleansing Lotion or Medicated Soap or Cleansing Lotion.

See, there are so many, this is why we are trained, we understand your personal problem and can suggest a solution.

Each of the named cleansers have a toning lotion — or call it an astringent if you like — to stimulate, tighten your pores, balance out your oil/moisture skin content — all correcting that oily shine-through. You still can use a cream under your makeup. But! you need a moisturiser only, not an emollient cream. Any dryness you feel is a lack of moisture, not oils.

Before we talk of foundations — you, with your excess shine, should be a twice-a-week user of a face mask. This isn't a messy business girls, not nowadays. Once again you need trained help, there are masks and masks. The correct one can be quite colorless, smoothed on as is any cream and left twenty minutes at the most. If you are lucky with time on your hands then go ahead and lie down — but there is really no need. The family need not know you are watching TV with your mask on. They won't see it. This mask draws out impurities, tightens pores, stimulates sluggish circulation and tones up your skin. Use regularly for an improved complexion.

There are makeups such as Non-Oily Coty, Flowing Lotion and Blotting Powder by Revlon. Cyclax Anti Shine and Day Lotion — completely non-oily. Pan Cake is popular with oily complexions — but go for a change — look the range over — let us tell you about each one. Don't shine, but this doesn't mean stop glowing.

# Cresser Reserve toilets

Altona Council has received approval from the Port Phillip Authority to construct a convenience block in the vicinity of the boat launching ramp at Cresser Reserve.

Reporting to the recent meeting of Altona Council, town clerk, Mr. Syd Fell said he had checked with the Ministry for Tourism the reasons for the delay in allocation of \$7200 subsidy for this purpose.

"The Ministry is awaiting a report by the Ports and Harbors Branch which has advised that the necessary report would be made early in the New Year. The application for subsidy was lodged on August 24," said Mr. Fell.

Commenting on Mr. Fell's remarks, Cr. Charlie Carlsson said it was fairly typical that application for subsidy had been lodged in August and "now we get an answer".

Cr. Carlsson successfully moved to make the matter an order of the day for three months time.

# COUNCIL'S OK TO DONATIONS

Altona Council will raise no objection to a proposal by the Altona Historical Society to raise funds by requesting a small donation from adults who visit the society's museum.

Council passed a motion to this effect by Cr. Pat Lynch following receipt of a letter of request from society secretary, Mr. Allan Clark, last year.

Council recently provided for an additional grant of \$100 to the society to defray the cost of a new booklet replacing Altona — a short history and for society activities including the photocopying and preparing for a display next year in conjunction with the Altona Railway Jubilee of Government ownership of the line.

# COUNCIL WON'T COMMIT ITSELF TO AGED HOME

Altona Council has not committed itself on a site for the hostel for the aged proposed by the Central Methodist Mission, but has approved the project in principle.

Recently, town clerk Mr. Syd Fell advised the administrator of the project, Mr. H. B. Sterling, that council would welcome an inspection by a mission representative.

Three mission representatives have already visited Altona and have expressed interest in the site, at the corner of Noorbenne Avenue and Millers Road.

Indications are that an area of one acre is desired. "In discussion with the mission representative, I have indicated that council may be agreeable to consider a development lease over this area," said Mr. Fell.

It was then moved by Cr. Doug Grant that council approve the project in principle without committing itself to any specific area.

The resolution was adopted.

# GYMNASIUM FEBRUARY 5

The Altona Presbyterian Girls' Gymnasium will start on Monday, February 5.

Meetings are held in the Presbyterian Church Hall in Civic Parade.

Teacher will be Mrs. Greenland and pianist Mrs. Dobbie. All girls are welcome.

Lessons are 20 cents each and times of classes are: babies up to seven years, 5.45 p.m., sub-juniors, seven to nine years, 6.30 p.m., juniors nine to 12 years, 7.15 p.m. and Intermediates, 12 years and over, 8 p.m.

# ANNUAL MEETING

Altona City Youth Theatre's annual general meeting will be held in Altona Civic Centre, on Monday, February 5, starting at 7.30 p.m.

The meeting will mark the group's second year of activity.

Three productions are planned for 1973. Caroline is scheduled for a four-night season in May and The Mikado in September. There will also be a play presented in the middle of the year but is yet to be chosen.

Auditions will be held in Altona Presbyterian Hall, on February 7 and 9, at 7.30 p.m.

The group will hold a barbecue on Sunday, February 11. Dr. Jim Cairns has accepted an invitation to attend.

Anyone interested in joining ACYT is invited to contact Mrs. Downes (398 3033) for further particulars.

Oh, his darling Adeline . . .

● Mr. and Mrs. Tery Roberts prepare to cut the cake after their recent wedding at St. Leo's Catholic Church.

The bride, formerly Miss Adeline Wright, is the second eldest daughter of Mr. and Mrs. J. E. Wright, of North Altona. Terry is from Footscray.

Adeline's sisters were bridesmaid and maid of honor. Best man was Mr. Doug Stephens and groomsmen were Mr. Werg and Mr. Karl Anderson.

The happy couple are honeymooning in Europe.

# Labor needed for harvest

Labor is urgently needed for seasonal harvest work, the Newport District Employment Officer, Mr. R. Corbin, said this week.

Mr. Corbin said the greatest demand will be in the Murray Valley area, where about 5000 pickers are required for the grape harvest.

This starts in Sunraysia about February 12.

Within Victoria, free return rail travel will be available to all pickers travelling to Mildura, Reninvale or Nyah West.

Those travelling by car can expect to receive a contribution towards petrol costs.

But these grants will be given only after the completion of three weeks' satisfactory work.

Mr. Corbin said people interested in going to any

harvest area in Victoria should contact the Commonwealth Employment Service, which is co-ordinating the supply of labor according to the availability of jobs and the ripening of crops.

Details are available from the Newport office, 430 Melbourne Road, Newport (phone 391 1844).

**Joslin's boys celebrate**

It has been suggested that the Australian Day holiday be "scrapped" because countrymen do not celebrate the occasion in the correct manner — perhaps, Williamstown Cricket Club disagree.

Les Joslin and the boys celebrated with a battling victory over arch rivals, Brunswick, and secured their position in the final four.

Brunswick opened confidently and were 39 when Bowyer claimed the first victim. He then took the next two wickets.

Joslin snared the next two off consecutive balls but failed to snatch the hat-trick.

Brunswick finished all out for 107.

Kev Tweedley and Barry McConnell opened for Williamstown. Kev went out on 6 and Bert Park took to the crease. He was also out for 6.

Rob Dyson appeared to be on his merry way but a good ball trapped him lbw and Williamstown were 3/41.

Another lbw decision sent McConnell to the pavilion. Ian McLeod was caught leaving Willy 5/46.

All hopes rested with Les Joslin and Barry Hewet, the incoming batsman. Joslin brought up the 50 but then the trouble commenced, the skipper hit the ball back hard to bowler Nash and he took the catch.

Things looked bleak, but a ray of sunshine came with the incoming batsman, John Fowler and with Hewet, he defended strongly and at the 20th over they started to get runs with 14 coming off one over. But at 84, Fowler was bowled by Mash (his 4th wicket).

Peter Bowyer came in and the Brunswick batters laughed at his stroking, but Peter had the last laugh and gradually they got the runs — Bowyer hitting a four to take the lead. He went on to make the highest score, 26. Williamstown went on to make 123.

Brunswick batted again and were 2 for 24 with Tweedley and Fowler both getting a scalp apiece. It was a great game as far as Williamstown were concerned but Brunswick will now find it hard to make the finals.

Brunswick 107. Bowling: Les Joslin, 9 overs, 5/37; Peter Bowyer 10, 3/27; Geoff Horsburgh, 8, 2/32.

Williamstown — Kev Tweedley, r.o., 6; Barry McConnell, lbw, 18; Bert Park, lbw, Mash, 6; Robin Dyson lbw, Mash, 7; Ian McLeod, c, Knox, b Otte, 4; Les Joslin, c and b Mash, 16; Barry Hewet, n.o., 23; John Fowler, b Mash, 7; Pete Bowyer, b Otte, 26; Tom Ferris, c Mash, b McMahon, 0; Geoff Horsburgh, c Turner, b McMahon, 5. Sundries — 5

TOTAL — 123 Brunswick seconds won the toss and sent Williamstown into bat and despite good innings from George Shaw and Graeme Coulston, 22 and 26 respectively, they could only make 125 for the loss of eight bats. Brunswick batted and although Lou Dowling bowled exceptionally well, they made the runs and went on to be 6/153.

Williamstown — Alan Harris, c, 9; Ron Shaw, b 17; George Shaw, r.o. 22; Brian Park, r.o. 11; Graeme Coulston, c, 26; Graeme Dean, c, 3; John Becroft, c 7; Andrew Davies, n.o., 12; Lou Dowling, c, 10. Sundries — 8.

TOTAL — 8 for 125 Brunswick 6/153.

Bowling: Lou Dowling, 3/74. Graeme Coulston, 2/29; Norm Shaw, 1/39.

Williamstown Thirds, at the Fearon, could only make 114 in 32 overs for the loss of nine wickets against Sunshine. Phil McTaggart made 16, Nev Speakman a dashing 26 and Gary Lang a good 25. In reply, Sunshine managed nine for 141 and so won the one-day event. Peter Thatcher took three good catches behind the stumps and the best Willy wicket taker was opening bowler Laurie Hewet, who like his older brother Barry, had a very good Aussie Day with 6/56 off 13 overs: Neil Speakman took 1/16, Bob Ducrow 1/33, and Nev Speakman 1/14.

## Abandoned!

Tennis matches scheduled to start last Saturday were abandoned due to the drought.

Final four teams will play-off on a date to be finalised.

They will be played on asphalt courts as most district courts are "unplayable".

Altona Ladies mid-week matches will not be affected.

The club will arrange matches between members, starting Saturday.

Interested players are asked to be at the courts by 1 p.m. Ball money, 30 cents, will be charged and afternoon tea provided.

Pennant will start in April. Interested parties are invited to contact

Wayne Thomas (398 2092).

## BLIND AID

On the recommendation of Cr. Les Crofts, Altona Council has consented to allow a blind person representing the Lady Nell "Seeing Eye" Dog School and Rehabilitation Centre to operate a collection stand in Altona.

At the last meeting of council for 1972, council passed a motion by Cr. Crofts that the town clerk arrange a suitable site for the organisation to sell booklets and literature on the centre and the work it does.

CPA meeting well attended

A large number of members attended the first meeting for 1973 of the Williamstown-Newport branch of the Combined Pensioners' Association.

The annual gathering will be held at Palms on February 14. Bus loads of members are expected to attend.

Although hot water and milk will be provided it is advisable for members to take their own lunch. A good programme is promised.

The next meeting will be held on February 9, at the Newport library Hall, Mason Street, Newport at 1.45 p.m.

## 'Intrusion into affairs of local people'—MP for Williamstown, Mr. Floyd.

Letter to the Editor

SIR,

If the enthusiastic, but generalised report in your last issue of two Federal Members of Parliament paying a brief, and possibly their first, visit to the Williamstown Rifle Ranges, is correct in as much that after listening to a few Williamstown citizens — some of whom have only been here a dog watch — along with a couple of paid municipal officers from other suburbs, that they have handed over the area to the bird watchers, bush walkers, snake lovers, and lion park promoters, to the exclusion of those local people who have been looking at the place for years for homes for themselves or their children, then I want to publicly disassociate myself from such an outrageous intrusion into the affairs of Williamstown people.

It seems incongruous that, though you report some bias in favor of the conservationists, it has become possible to ignore the past unanimous policy of council and local State Members of Parliament for individual private building on the range with a sprinkling of Housing Commission and War Service Homes (if desired) and recreation, without proper consultation with the council.

This is all the more ironical when it is considered that over the past twenty years, Army Ministers of Liberal Governments have granted the council hearings on the release of the range for housing and recreation either at Canberra, Victoria Barracks, or at the local town hall on behalf of those facing expulsion to the eastern suburbs because Williamstown is a build-up area.

The range, if released, should be for housing and recreation — there is room for both and council should now extend its fight to the Minister for Defence and disregard the gimmicks of the adequately housed isolationists.

# Williamstown grabs cricket lead

Williamstown Cricket Club snatched a first innings lead over Sunshine, in the first day's play last Saturday.

Sunshine, winning the toss, elected to bat and met a dismal fate. Power bowling from Peter Bowyer dismissed both openers, Dearugo and Wade, cheaply.

He then captured the valuable wicket of Kelly and his fourth came when Hider was caught by Ferris.

Then Geoff Horsburgh burst into action, claiming the next three scalps. McConnell and John Fowler finished off the rest in easy fashion.

Sunshine were all out for 98. Keeper Ferris, with four catches, was superb behind the stumps. He stumped one also and allowed only one bye.

Barry McConnell and Kevin Tweedley opened Willy's innings after tea. Barry did not score and Kevin was out for seven. Due to a dismal opening, 2/8, Williamstown had their backs against the wall.

Bert Park and Robin Dyson added 50 runs in quick time with Dyson celebrating the 50 with a great boundary crashing to the fence. They added another eight before Dyson

was caught by Hider off the bowling of Kyle for 39. Williamstown were now 3 for 66.

Les Joslin joined Park and they put on 25 before Redford caught Park off the bowling of Kyle. He made 37 handy runs.

Ian McLeod joined his leader and Joslin hit four to level the scores. Then McLeod lost his wicket being caught by Majewski, giving young Kyle his fourth wicket.

Williamstown were now 99 and it was on this note that Les called it a day — one run in front. This was a doubtful declaration as Peter Bowyer had left for a wedding and that left Williamstown one man short (most successful bowler of the first innings).

Les Joslin and Geoff Horsburgh bowled two overs each and Barry Hewet the fifth one. Sunshine went off the ground

0/10. The game resumes on Saturday, but Williamstown have the six points. Sunshine 98. Bowling: Geoff Horsburgh, 10 overs, 3 mdns, 3/25. Peter Bowyer, 7 overs, 1 mdn, 4/18. John Fowler, 2 overs 1/7. Barry McConnell, 2.4 overs 1 mdn, 2/7. Les Joslin, 9 overs 0/31.

Williamstown. — Barry McConnell, c Fox, b Kyle, 0. Kev Tweedley c Redford, b Majewski 7. Bert Park, c Redford, b Kyle 37. Robin Dyson, c Hider, b Kyle 39. Les Joslin, n.o. 13. Ian McLeod, c Majewski, b Kyle 3. Sundries 0. 5/99 dec.

Willy's Second XI are in strife out at Sunshine.

Despite good bowling by Norm Shaw, 5/59, and the ever reliable Lou Dowling, 3/33, the home side got away from Willy and made 206 runs.

The 'keeping of young Alan McLellan was once

more something to catch the eye, two catches and one stumping. Williamstown batted and some unsavory remarks regarding the lbw decisions were heard within the Williamstown camp.

Three wickets were to fall this way, those of Alan Harris, Ron Shaw and Brian Park.

At stumps they were only 37 for the loss of four wickets. Willy will be flat out to avoid outright, and much will rely on the batting of the overnight men Andrew Davies and Graeme Dean with Graeme Coulston to follow.

Scores. — Sunshine 206. Bowling: Lou Dowling 3/33. Graeme Coulston 1/54. Graeme Dean 0/22. John Becroft 0/16. Alan Harris 0/21. Norm Shaw 5/59.

Williamstown: Alan Harris, lbw, 8. Ron Shaw, lbw, 0. George Shaw, c, 1. Brian Park, lbw, 9. Graeme Dean, n.o. 15. Andrew Davies, n.o. 3. Sundries 1. 4/37.

Williamstown thirds batted and made 138 with Phillip McTaggart getting 2, R. Koers (AN) 3, 36.3. back into form with 54. Jeff Dean 20, Gary Matty 16, and a good hand of 18 not out from Bob Ducrow. Port Melbourne batted, and at stumps were 4/62. Bob Ducrow took 2/19. Nev Speakman 1/7, and Peter McGregor 1/6.

## Three out of the four?

Altona Cricket Club is poised to take out points in three of four games played last weekend.

A grade, with 8/188 on the board, appear to have too many runs for North Melbourne City.

After a bad start, 3/20, Altona recovered through fine performances by Colin Shaw 54, Jim Page 38 and Alec Merrill 31.

It was Colin Shaw's 100th game with the club.

### B GRADE

With a depleted team, Altona put up a magnificent fight early and had North Carlton 6/81.

Ken Duff claimed four victims. Unfortunately, the tail-enders gathered runs and Carlton North closed its innings at 8/168.

Altona performed miserably with the bat and were dismissed for 49 and were 2/5 in the second innings.

Ken Duff scored 23.

### C GRADE

Away to top team Royal Park, Altona appear set to gain a victory. Royal Park won the toss and went to bat — Alan Jobson and John Deiner combined to snatch four early wickets.

Royal Park were all out for 76. John Deiner 6/42. In reply, Altona were 5/68 at stumps. Thomas 31 and Garde 22.

### CLUB XI

Altona dismissed Baseballers for 114 and are 6/88 in reply. David Wilson took five wickets for 12 runs off three overs.

## 'Get to know you' night

Williamstown Football Club social club has arranged a "get to know you" night, to be held in the Town Hall on Friday, February 23.

Club secretary John Grieve said the night would be an opportunity for supporters to meet the coach, Barry Gill, and the players.

Tickets cost \$8 per double, including smorgasbord.

Training will be held on Mondays and Wednesdays until the cricket club winds up.

Other news is the availability of season tickets. For \$5, supporters are admitted to every home and AWAY match — a saving of over 100 per cent.

Unlike gate-money, with profits subject to VFA levies, proceeds from the sale of season tickets is "pumped" back into the club.

Tickets can be obtained from Johnson's Hardware, Nelson Place, Williamstown, and Kevin Hynes Hardware, Douglas Parade, Williamstown.

## Newport bowled all day

Newport Cricket Club bowled throughout the first day of the match against Glenhuntly, on Saturday.

At stumps, Glenhuntly were 6/233.

Wickets were divided between the Newport bowlers.

### 2nd XI

Glenhuntly won the toss and elected to bat. After experiencing early difficulties they recovered to be all out for 124. "Anyhow" Hogan 3/27 and Dick Roberts 4/4 were the main wicket takers.

Newport collapsed to be 6/53 at stumps.

### CLUB XI

Pressure bowling by Newport upset CYMS, eventually dismissed for 82. Tom Barassi 5/30 was the danger man.

In reply, Newport were 5/111 at stumps. Gary Richards 27 and Kevin McCusker 46 n.o., provided the back-bone of a solid innings.

## NORTH TALKS

Next meeting of Altona North Little Athletics Club will be at Mrs. K. Smith's home, 21 Edward Street, Altona North at 8 p.m. on Monday, February 5.

The club is on duty for next Saturday, February 3.

The committee has urged parents to make themselves available to help conduct events at the centre each Saturday.

## TWILIGHT GARDEN PARTY

The official opening of the 1973 Red Cross Appeal will take place at a Twilight Garden Party at Government House, on Tuesday, February 27, at 5 p.m.

This is a delightful function which is open to anyone who wishes to attend. The admission donation is \$3 per person.

Introduced last year, the Twilight Garden Party proved extremely popular and many young people were able to attend.

Cards of admission are available from the Appeal Department, Red Cross Headquarters, 122 Flinders Street, Melbourne.
